I am Bhagyasri. ಬೆಂಗಳೂರು ಅರಸೀಕೆ.
3 years old. He is normal at the age of
one year. After corona he suffered with
Speech Problems. At that time i con-
sulted doctor at Vizag. he suggest
medication only. I used all the
medication what he suggest. but
no improvement then i went to psychology
test. Test result he has hyperactive
& lack of brain improvement. ~~no~~
After some time i consulted deepthi
mam at hospital. At that time she
clears all the doubts about my child
and he is mild ADHD. He needs
three months ^{therapy}. We joined Happy Kids
Center. We see change in his
behaviour and speech. After completion
of therapy he recovered much.
I am very happy about my son.
Thank you madam. and Happy
Kids Center.

Thank you All.

Ronith.

I am Ronith's Mother.
We have joined in the "Happy Kids"
in February month.

I have seen lot of
change in his behaviour,

Trainer Swathi, a sweet
person who took lot of care towards
Ronith. She guided Ronith in
each and every aspect.

She was very patient enough
when my son is in irritative
behaviour.

Dr. Deepthi - Thank you
so much for your guidance ma

Sreeman Govind . K.

We are very happy under the guidance of Dr. Deepthi Raju Mam, our son improved a lot after following the suggestions and tips that mam mentions in the videos. Extremely thankful to mam.

Parents - Ujwala + Saicharan

Advait.

Mam is very positive and has very different approach towards the kid. She brings out what's best in the kid and I have already followed few of her videos and saw reasonable change in pretend play. I looking forward to be part of other group and make my child's future bright. Thankyou so much mam for your suggestions and as a mother you always give me tips & tricks on how to handle him in a confident way.

Parents - Mourica & Kiran

We have taken services appointment with Deepthi ma'am for improvement evaluation

The appointment process & timing went well. She spent sufficient time observing & evaluating my son.

We are very hopeful and her suggestions help us a lot as always.

Dharshe,

Date / /

We are happy that our kid was evaluated, and we had a fair and frank opinion from madam.

Our goals were realistically set, so that we could monitor our kid's development on a timely basis.

We received guidance from madam and it helped us a lot.

Thank you.

Dhruv

I have known Dr. Deepthi from almost 2.5-3 yrs. her approach towards different ability kids is very friendly and fun way. She doesn't go with the traditional method of teaching them ~~but~~ which is not very helpful. Kids need to learn in a friendly and happy way then only you can see good improvement. Indeed I have seen lot of improvement in my child after trying her methods.

Thank you Deepthi

DAIWIK.
